## Why have a selection process?

To ensure a good match between the participants, HTID gathers disruptive European companies looking for additional partnerships and funding to scale up in Europe.

## Before selection

1

Companies apply via the following online form (start on April 12th): <https://www.surveymonkey.com/r/HTID3>

2

The selection committee will evaluate new applications every two weeks from April 21th until a few days before the event.

3

HTFC team will revert to companies with the final decision or additional requests. Companies will receive a form for paying their participation.

## After selection

Based on payment proceed, companies will be confirmed as participant. In Person:€1,500\*/In virtual€1,000\*

Three weeks before the event, participants will receive an email giving them access to the partnering platform.

Participants schedule their meetings and book their agenda with preferred conferences.

D-Day! Enjoy your business meetings, conferences and network!
